EMAAR

The Hallmark of Distinction

A place unlike any other, Downtown Dubai is where record-breaking is the norm. It is the only place where you can take a walk past the world's tallest tower or enjoy the captivating choreography of the world's largest fountain show.

The ideal location for one of the world's most exclusive living experiences, celebrating the quintessential, the rare and the exquisite.

The Best Address

Set in the heart of Downtown Dubai, the city's vibrant urban centre, The St. Regis Residences, Downtown Dubai is the latest addition to Dubai Skyline. Consisting of two sleek and modern art-deco inspired towers rising 262m and 171m above The Opera District, with a connecting platform offering outstanding amenities, luxury living has never been more indulgent.

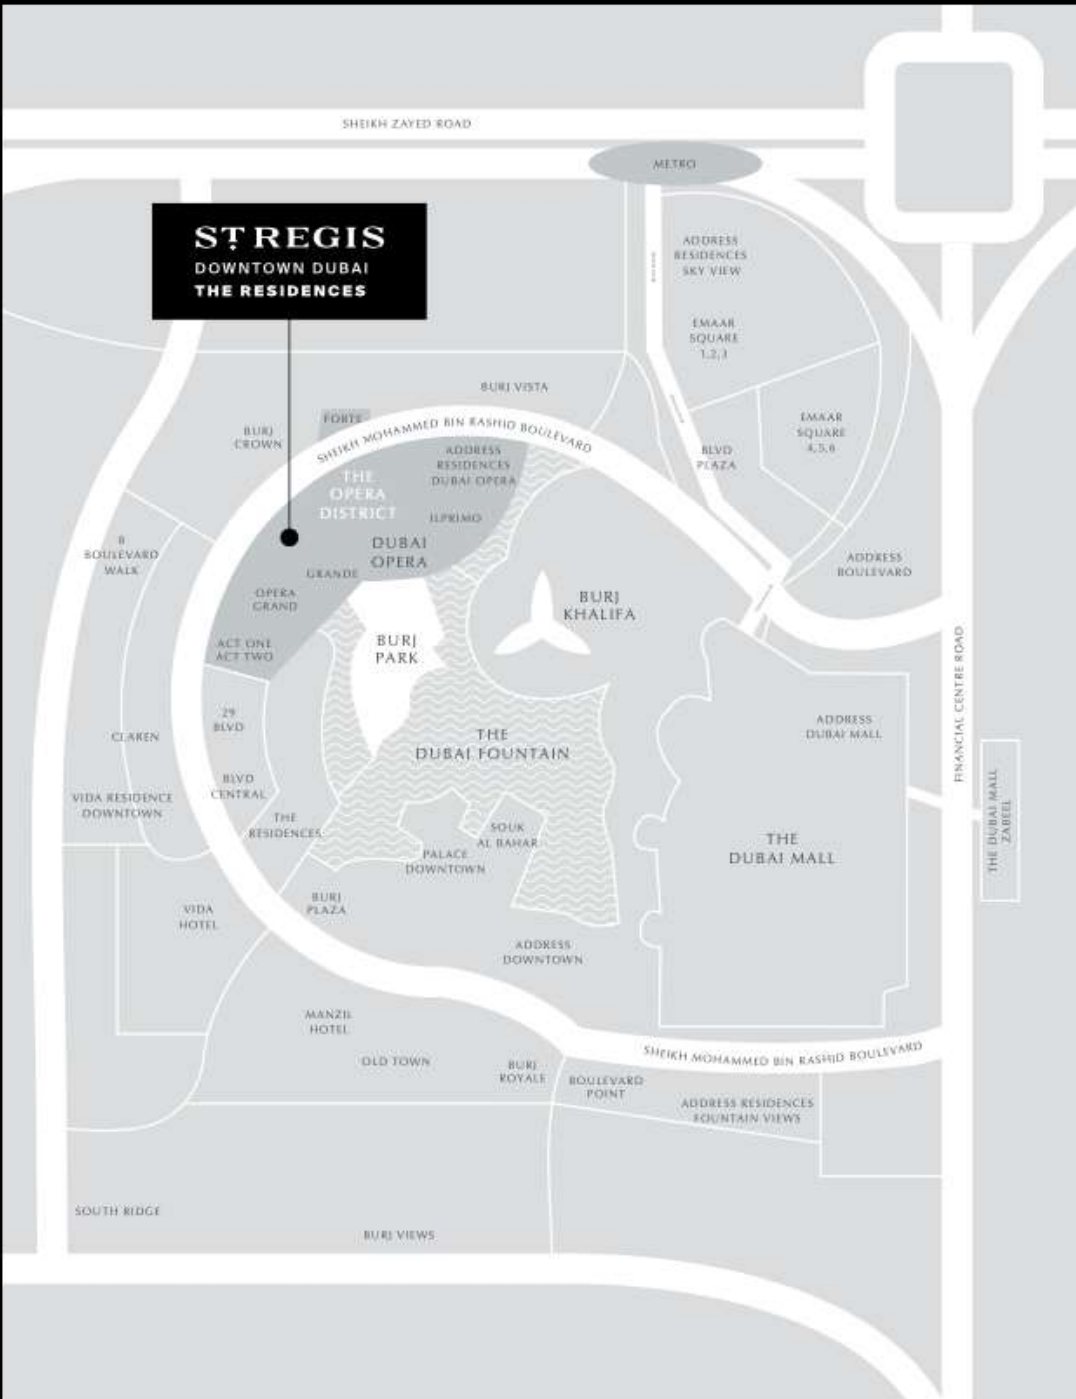

Affluent Neighbourhood

Comprising illustrious neighbourhoods such as The Opera District, Burj Plaza, and Sheikh Mohammed bin Rashid Boulevard, Downtown Dubai is a 500-acre settlement encapsulating the spirit of Dubai, home to landmarks, Burj Khalifa, Dubai Opera and The Dubai Mall.

By coalescing a global icon, tourist attractions and residential dwellings into the world's most exclusive master community, Downtown Dubai exceeds the realm of architectural audacity – it's a place where every corner offers a memorable landmark, every structure a spectacle to behold.

An aerial night photograph of the Burj Khalifa, the world's tallest building, which dominates the center of the frame. The building's tiered, spiraling structure is illuminated with warm golden lights, contrasting with the deep blue twilight sky. To the left, other skyscrapers like the Burj Doha and Burj Dubai are visible, also lit up. The base of the Burj Khalifa is surrounded by landscaped gardens with palm trees and circular walkways. To the right, the city extends towards the water, with numerous smaller buildings and a large artificial lake or canal reflecting the city lights. The overall scene captures the vibrant and iconic skyline of Dubai at night.
